TRIPLE PLAY
WHERE FUN IS ALWAYS IN SEASON

THE WATERPARK IS ONLY HALF THE FUN.

Raptor Reef is open every day of the year and is always a balmy 85 degrees. This giant indoor water park is perfect for all ages and features three giant slides, a wave pool, and even an interactive play structure just for the wee dino youngsters.

SLIDES

Hike up a 60' tower and take the "PREHISTORIC PLUNGE" down a dark, 300' body slide. Grab a tube and a friend and get sucked into the time warp of "VELOCIRAPTOR VORTEX", a massive whirlpool tube ride. And when you're feeling really brave, drop in on "LOST FALLS", the longest and most popular tube slide featuring 400' of light to dark drops and turns.

WAVE POOL & HOT TUBS

When you're ready to wave goodbye to the slides, check out the epic "RAPTOR REEF WAVE POOL", surrounded by toothy, life-sized Raptors lurching over the waterfalls. Relaxing is easy in our roomy indoor/outdoor hot tub - be sure to check out the retractable skylight roof.

YOUNGSTERS

The "AQUA PLAY FUN COMPLEX" is the perfect place for the young and young at heart. Slip and slide your way down 30' slides designed just for younger kids. Splash around in shallow tide pools surrounded by water cannons and geysers. Or get thoroughly soaked by the "WATER DUMP BUCKET", dropping 300 gallons of warm water on anyone who dares to stand below.

When you dry off, there's another world of activities waiting to be discovered, including Bowling, Go Karts, an Arcade and Video Games, Two Miniature Golf Courses, Bumper Boats, a Climbing Wall, Laser Tag, a Soft Play Area for kids—and who could forget, FOOD!

BOWLER'S PARADISE!
